

Personal, Social and Emotional Development

We will be setting ourselves new goals and think about how to reach them.

We will be learning about healthy eating, drinking and exercise, the importance of good hygiene and sleep.

Literacy

We will embed our phonetic knowledge and recall of 'tricky' words through lots of reading and writing opportunities.

We will explore popular stories and learn how to sequence a story.

We will talk about the features of the characters and settings in stories.

Understanding the World

We will look at changes in the environment.

We will explore ice and melting.

We will discuss nocturnal and diurnal animals and their habitats.

We will explore space and the solar system.

Reception: Spring Term

Curriculum Overview

Theme:

Starry Night

Physical Development

We will continue to develop our fine motor skills, pencil control and letter formation.

We will learn about ways to stay healthy and safe.

In P.E we will begin to use the large climbing apparatus and learning how to play basketball.

Communication and Language

We will talk about how we spent our Christmas breaks and think about the similarities and differences of how we celebrate.

We will learn new vocabulary relating to winter and the changes in the environment this season brings.

Maths

We will look at the composition of numbers and how they are made. The children will begin to investigate addition and subtraction and how to record their findings.

We will look at 10 frames and learn the number bonds to 10.

Expressive Art and Design

We will be working collaboratively at the art table, using team work to develop our art skills.

We will start to explore colour mixing and different ways to join and use construction materials.

We will learn about Vincent Van Gogh and gain inspiration from his Starry Night art work.
