Y1 Creation Treasure Hunters Workshop

What a fantastic experience the Year 1 children had on Tuesday at the Creation Treasure Hunters Workshop. They were so engaged and enjoyed all the activities. They created beautiful jewels to represent each day of the Christian creation story. They also retold the story using props and were wonderful actors!

Sutton Schools, who ran the experience, mentioned how impressed they were with all the children and their behaviour throughout the workshops.

TFL Y6 Presentation Workshop

On Friday 23rd October, the Year 6 children enjoyed an in-school presentation on safe and responsible travel, delivered by Corinna who is part of the Transport for London team. It was a fun and interactive afternoon in which the children learnt many important lessons about travelling throughout the borough, and indeed, throughout London, designed to educate them about personal safety, respect, responsibility and awareness both on and around public transport as they now become increasingly independent. The lively multimedia presentation featured fast moving video clips with pop soundtracks alongside photos to illustrate each point, followed by very lively, entertaining and informative discussions, as you can imagine!

As expected, the children engaged willingly and intelligently, and are all now far more aware about journey planning and active travel; the use of ZIP cards; travelling behaviour codes and consequences; safe waiting and standing points; how to get help if needed; the dangers of underground tracks; how to use escalators carefully; respecting drivers and staff; priority seats; graffiti and vandalism; suspicious packages; dealing with uncomfortable situations; peer pressure and making smart decisions, and overall respect and citizenship…it was a jam-packed afternoon of PSHCE learning as you can see!

Well done to all of the Year 6 children for engaging so brilliantly and treating our visitor with respect…as always, we are proud of you all!

Happy Diwali to your community

During our Wednesday assemblies, we learnt about the Festival of Lights, where the children were reminded about the magical Hindu story of Prince Rama and Princess Sita. We discussed how Prince Rama was a HPL champion who showed resilience, confidence and empathy whilst on his epic adventures. We then sang 'This Little Light of Mine' to fit in with the theme of light overcoming darkness. The children have been encouraged to ask their classmates how they might be celebrating Diwali from creating vibrant Rangoli patterns to sharing delicious sweets with loved ones. We love how diverse our community is at Westbourne, and we wish everyone celebrating a bright and peaceful Diwali!

Black History Month 2026 – Honouring Our Communities

This year, our school has been proudly exploring Black History Month, with the theme 'Honouring Our Communities'. Each year group has studied an inspirational individual, learning about their lives, achievements and the barriers they faced and overcame.

As part of our learning, the children reflected on the High Performance Learning (HPL) skills and attributes that helped these individuals to succeed, considering how qualities such as resilience, empathy, perseverance and critical thinking can help us all overcome challenges and make a positive difference.

We are incredibly proud of the curiosity, thoughtful discussions and genuine empathy shown by our children. They have demonstrated not only intelligence in their learning, but also a growing understanding of the importance of celebrating diversity, recognising others' contributions and honouring the communities we are all part of.

Dutch Students Visit

This week, we have received a visit from a group of students (and their tutors) from MBO College in The Netherlands; they are studying to become Nursery Nurses and Learning Support Assistants. They were all extremely impressed by our children: their impeccable behaviour and courtesy, their confidence, their HPL skills and - of course - the high standards of teaching and learning at Westbourne. They will go back home with lots of ideas to improve their practice. Thank you for visiting us! *Dank je wel en tot ziens!*

Speak Out Stay Safe

Westbourne is taking part in the *NSPCC Speak Out Stay Safe* campaign. On Monday, the school will be running an assembly and a follow-up lesson with all children to educate them on the importance of their rights to safety. More information can be found on their website: https://learning.nspcc.org.uk/services/speak-out-stay-safe

Harvest Collection – Thank you!

Thank you to all of the families who brought in donations for Sutton Night Watch as part of our Harvest celebrations today. I am overwhelmed by your generosity and feel so proud of how we have shown Concern for Society by supporting our local community. Steve, who came to collect our donations, said that Westbourne is known as 'the school who fill the van with donations' - what a legacy to hold! Thanks to you, we have made a huge difference in our community today and alleviated some of the stress that comes with economic instability. The children have celebrated their altruism this morning but their donations wouldn't be possible without their parents, so I'd like to thank you very much. I'm so grateful for your support for this cause. May our legacy continue!

BBC Children in Need

By the side of every child

The BBC Children in Need Appeal is back!

Together we can make a difference!

Appeal Theme:

"By the Side of Every Child,"

The amazing projects it supports help change the lives of disadvantaged children and young people all over the country.

To support this fundraising opportunity on

Friday 13 November,

we thought Westbourne children would like to wear **their PJs or Onesies** for the day (no uniform) and ask that every child makes **a donation of £1** to this worthwhile cause.

If PJs are not your thing, then feel free to cover yourself in spots instead!

We look forward to seeing everyone dressed up and looking good for this brilliant appeal!

Thank you for your support.

THE SCHOOL COUNCIL

Please bring your £1 donation to school on the day.

Small change makes a **BIG** difference!

Road Safety and Parking – Be Patient!

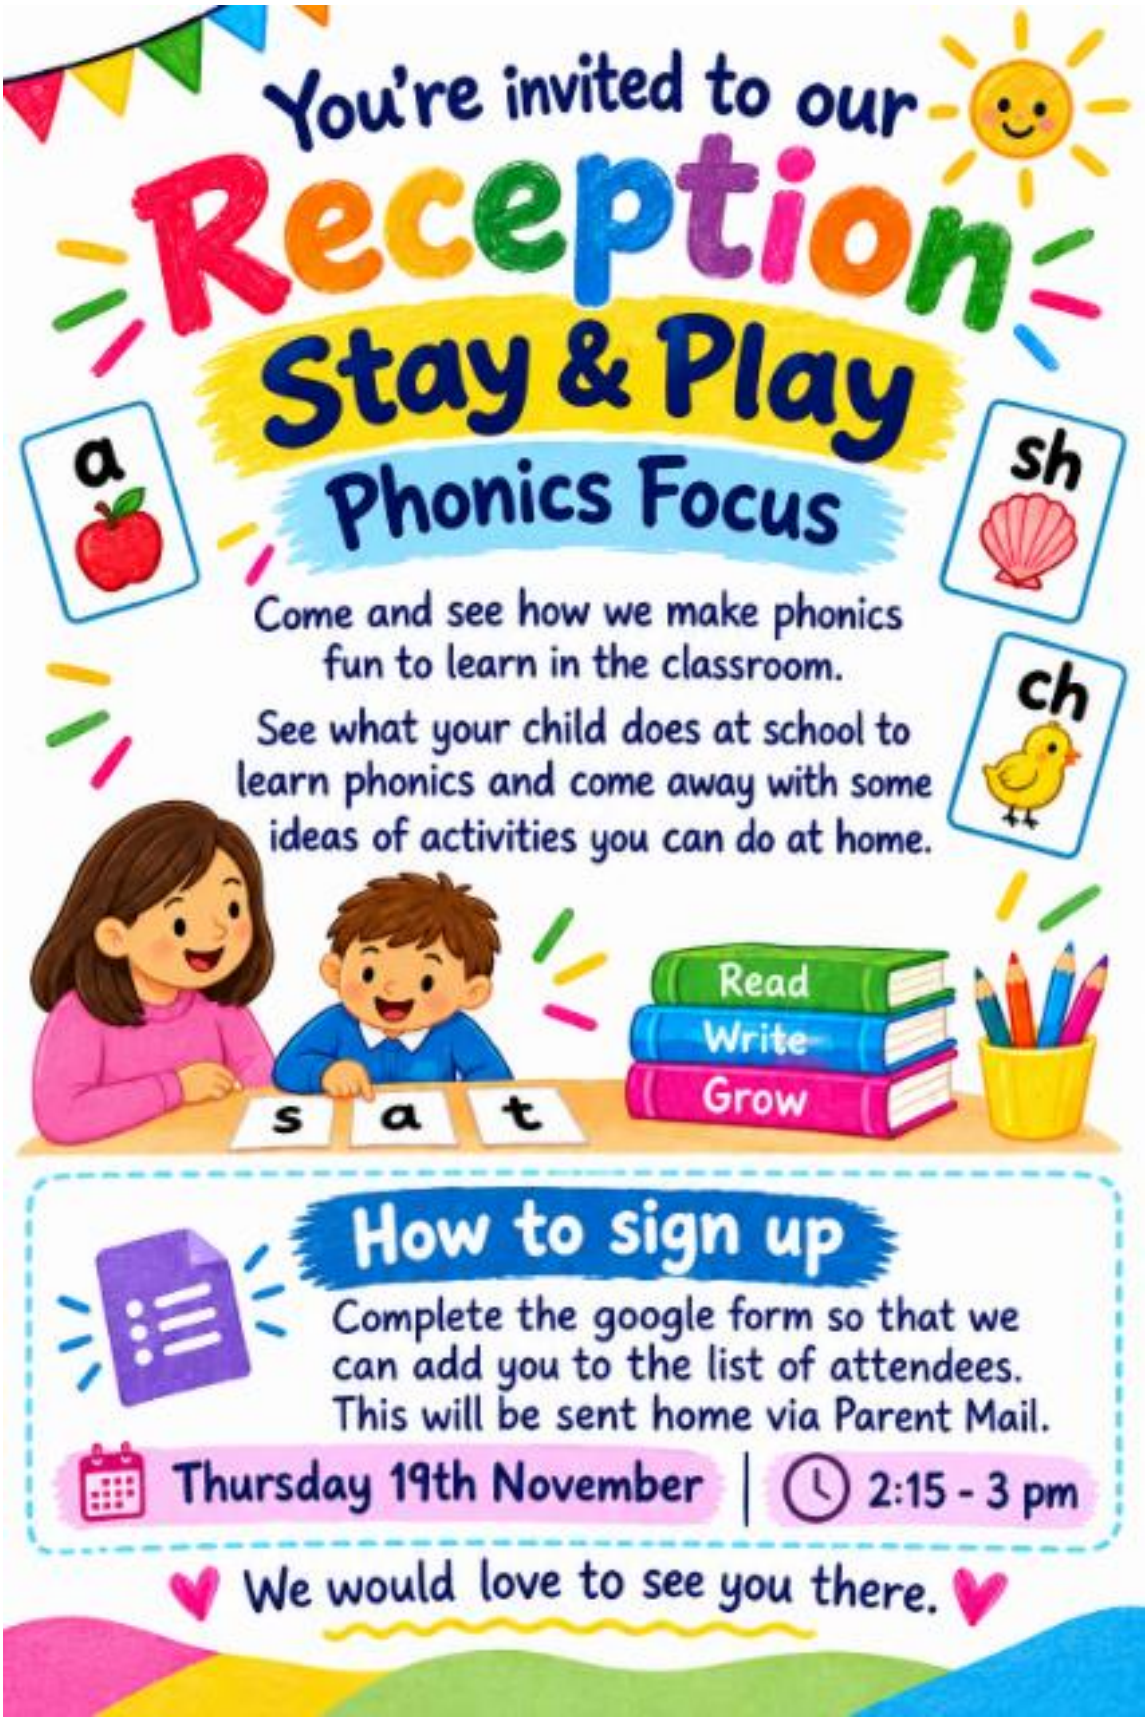

In order to safeguard all children, parents and the wider community, it is vital that we are all extremely careful when driving, riding or scooting near the school. Please be also considerate when parking at pick-up or drop-off times, so as to protect everyone. Finally, do not park in front of residents' garages and properties, and keep the allotment entrance on Collingwood Road clear at all times. Thank you!

Winter School Uniform – Autumn 2

A reminder that children are now expected to wear the **full winter uniform**, i.e.: **Black School shoes**, Cardigans (Navy), Jumper (Navy), **School tie** (which can be purchased at the school's office), Grey shorts/trousers, Navy/Grey skirts or pinafore dresses, White shirt/blouse. **The P.E. kit uniform** (to be worn on P.E. days) comprises of: plain white T-shirt (with or without Westbourne logo), loose-fitting navy shorts (tight cycling/lycra-style shorts are not suitable or appropriate), navy jogging bottoms, school jumper and a pair of trainers. https://www.westbourne.sutton.sch.uk/school-uniform/ **Please remember to name ALL uniform items!**

We're a Voice 21 Oracy School!

Voice 21 is the national charity that advocates for and supports schools in delivering a high-quality oracy education. In continuing our relationship with Voice 21 for another year, we are part of a network of over 1,100 Voice 21 Oracy Schools across the UK that are transforming teaching and learning through talk.

Why oracy matters?

Oracy is articulating ideas, developing understanding and engaging with others through speaking, listening and communication.

We actively invest teaching time into creating "talk-rich" classrooms, valuing every student voice, boosting confidence, and preparing our students for their futures.

- Speaking and listening skills are critical foundations for reading and writing.
- Students with better oral language skills are more likely to achieve the highest grades in GCSE Maths and English.
- Young people with good communication skills are less likely to have mental health difficulties.

By teaching students to become effective speakers and listeners, we empower them to understand themselves, each other, and the world around them better.

Voice 21 Oracy School

Why are we a Voice 21 Oracy School?

As a Voice 21 Oracy School, we are placing oracy at the heart of our teaching and learning across all subject areas enabling students to develop and deepen their knowledge and understanding through talk in the classroom.

In Voice 21 Oracy Schools:

- 89% of students agree/strongly agree that speaking and listening has helped them make progress with their school work.
- 77% of teachers said that oracy had boosted attainment.
- 96% of teachers said that oracy is an essential part of teaching and learning.

Find out more about oracy and Voice 21 here

School Council's Best Behaviours

In our first school assembly, we have reminded the children about our new 'School Council's Best Behaviours'. A big thank you to our School Council, led by Mrs Bolton, for updating the new Behaviours for children at school to follow. 'Pupil Voice' is a large part of school life at Westbourne; here is a perfect example!

School Council's Best Behaviours!

- ✓ **Respect others at all times**
- ✓ **Look after friends and school property** - *Concern for Society*
- ✓ **Be grateful for your friends, teachers and opportunities**
- ✓ **Follow instructions given by all adults**
- ✓ **Be responsible for your choices and actions** - *Self Regulation*
- ✓ **Use your manners wherever you are**
- ✓ **Include everyone** - *Collaboration*
- ✓ **Think before you speak**
- ✓ **Play kindly and safely**
- ✓ **Try your best in everything you do**

- ❖ School Councillors have special stickers to reward children who follow these Best Behaviours
- ❖ There will be a weekly award for children who impress their School Councillor

Is My Child too Ill for School?

Dear Parent/Carer,

Thank you for your efforts in ensuring your child is attending school every day. You will have seen from the weekly attendance figures in our Friday newsletter that the current percentages are very encouraging. As you know, regular attendance is crucial for children's education, socialising and overall well-being, including their economic prosperity and long-term health.

As we begin the countdown to Christmas, we're at a potential crunch point. Flu season is starting already, and post-Autumn-half term has consistently been where we see the school's attendance drop – mostly because of illness. We want to ensure attendance stays high throughout the winter months, so as to benefit the children's learning and their experience of school life, minimising disruption for them, their classmates, their teachers, and the school community.

In light of this, please find below a useful guide from the NHS, detailing different conditions and their impact on attendance.

Thank you

Westbourne Attendance Team

Is my child too ill for school?

UK Government NHS

Does your child have a high temperature (38°C or more)? YES Keep them off school until it goes away. NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	**Cold sores** Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.	**Impetigo** They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	**Ear infection** If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.
Threadworms Speak to your pharmacist, who can recommend a treatment.	**Conjunctivitis** Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	**Ringworm** See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.	**Measles** They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
	Head lice & nits You can treat head lice and nits without seeing a GP.	**Scarlet fever** They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.	**Vomiting & diarrhoea** Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).
	Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.	**Chickenpox** Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	
	Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.		

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'

WESTBOURNE PRIMARY SCHOOL NEWSLETTER

6th November 2026

Illness and Attendance

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't. Please click here to view the government guidelines.

We aim for all children's **attendance to be 96% and above**. When it falls below 90% we have a legal duty to inform the Local Authority which then triggers an investigation by the Education Welfare Service. When a child's attendance falls below 90%, there is a serious risk of underachievement.

Support Your Child to Succeed in School

Help your child understand that school is their very first job! Make great school attendance a priority for your child. Talk to your child about the importance of daily attendance in every class and how it contributes to his/her learning.

The Power of a Strong Start and Finish to the Week

– *Don't Skip Mondays or Fridays*

Mondays/Fridays represent each a significant fifth of the learning week, and missing half a Monday/Friday every fortnight adds up to a tenth of the entire school year. It's not just about consolidating lessons but also fostering social connections and a culture of belonging.

Let's make the most of these moments – starting a new topic, reviewing lessons, engaging with peers, and participating in school activities. By collectively emphasizing a strong start and a strong finish to each week, we contribute to a more enriching educational experience for all at Westbourne

Developing Good Habits

Support your child in practicing good daily habits, such as:

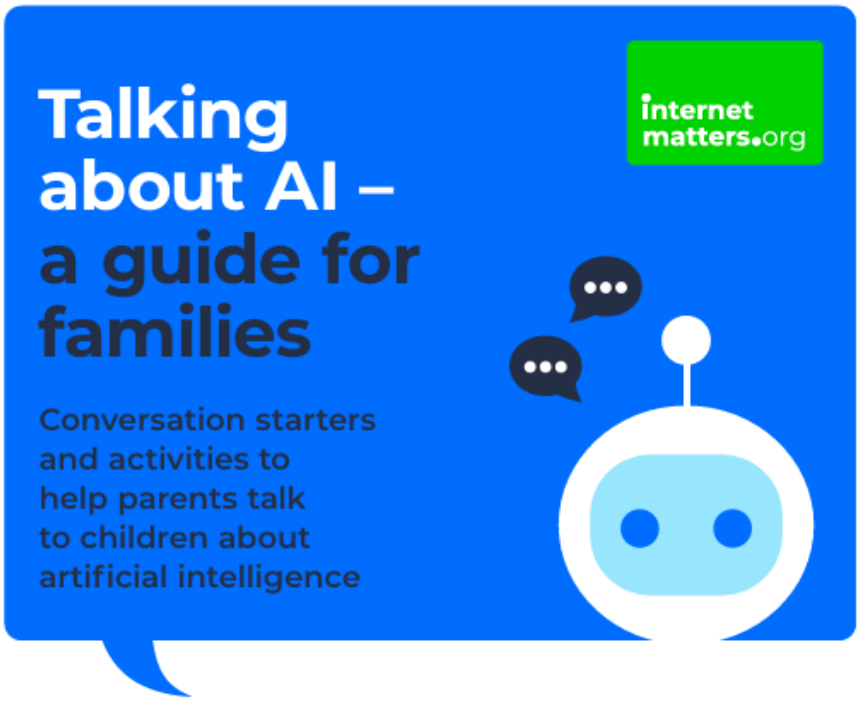

- Finishing homework and placing it in his/ her backpack;
- Laying out clothes and the school reading book in the evening;
- Maintaining a regular bedtime for a good night's sleep;
- Leaving early enough in the morning to get to school on time;
- Turning off electronic devices one hour before bedtime.

Contact the school in the morning to communicate your child's absence.

For Parents and Carers – Talking About AI With Children

From Alan Mackenzie – Online Safety Expert

Artificial intelligence is becoming an increasingly familiar part of children's lives, whether that's through chatbots, homework tools, games or the apps they use every day.

As AI becomes more common, it's important that children understand both what it can do and where its limitations lie.

Internet Matters has produced a useful Talking About AI guide for families, with age-appropriate conversation starters and activities to help parents explore AI with their children. The guide encourages families to talk about how AI works, question the information it produces, consider privacy and develop healthy habits when using AI tools.

It's a practical resource for parents who may not feel particularly confident about AI themselves but want to help their children use it safely and responsibly.
